Support education, outreach and information about water issues in Kern County

The Water Association of Kern County’s mission is to educate the general public and the water community about water issues that effect Kern County. Targeted outreach, engaging water speakers and discussions, media appearances, a newly designed website, videos, Facebook and Twitter are utilized to reach the public. Outreach efforts include speakers on the Bay Delta Conservation Plan, irrigated lands, hydraulic fracturing and drought. The goal of the WAKC is to continually provide education and information to the public so that citizens become better informed about critical water issues in Kern County.

*Informed citizens make better voting decisions*

Please help us continue these efforts through membership.
